

# **Tox-Bar<sup>®</sup> Powder**

Toxin Binder

## **Composition:**

A special grade of *HSCAS* (Hydrated Sodium Calcium Alumino Silicate) with Ammonium Salt to have better adsorbent property.

## **Mode of Action:**

Tox-Bar<sup>®</sup> acts as a Toxin binder. It causes bio-neutralization of Mycotoxin when feed contain Mycotoxins. It absorbs moisture from feed & keep feed in dry condition

## **Benefits:**

Tox-Bar<sup>®</sup> is an animal feed premix used in poultry feed as a toxin binder that adsorbs toxin from feed consumed by chicken. It destroys Mycotoxin from poultry feed. It prevents bio-synthesis of mycotoxin in feed. It promotes enzymatic activity & liver function for detoxification. Tox-Bar enhances growth rate of poultry & increases egg production in poultry (indirectly).

## **Indication:**

To adsorb toxins from the feed consumed by chicken and for better feed consumption and weight gain in birds.

## **Dosage & Administration:**

1 kg per Ton of feed or as suggested by the Nutritionist.

## **Contraindication & Precaution:**

Tox-Bar<sup>®</sup> is contraindicated in Birds hypersensitive to its component.

## **Side Effect:**

It has no side effect at recommended dose.

## **Drug Interaction:**

Tox-Bar<sup>®</sup> is Compatible with all ingredients in animal feeds.

## **Storage Condition:**

It remains stable up to 2 years when store in a cool & dry place. Use as early as possible after opening the container. Protect from direct sunlight & moisture. Keep away from reach of children.

## **How Supplied:**

25 Kg bag.
