

Lulitop™

Luliconazole 1%

COMPOSITION

Lulitop™ Cream: Each gram cream contains Luliconazole INN 10 mg.

PHARMACOLOGY

Luliconazole is a broad-spectrum azole antifungal that acts by inhibiting the enzyme lanosterol demethylase and blocks ergosterol synthesis which is an important component of fungal cell membrane. Thus, it exerts strong fungicidal activity both in-vitro and in-vivo against dermatophytes, *Candida albicans*, *Malassezia spp.*, *Trichophyton* & *Epidermophyton spp.*

INDICATION

Luliconazole is indicated for the topical treatment of interdigital Tinea pedis, Tinea cruris, and Tinea corporis caused by the organisms *Trichophyton rubrum* and *Epidermophyton floccosum*.

DOSAGE & ADMINISTRATION

Interdigital Tinea Pedis: **Lulitop™** Cream should be applied to the affected and immediate surrounding area once a day for two weeks.
Tinea Cruris and Tinea Corporis: **Lulitop™** Cream should be applied to the affected skin and immediate surrounding area once a day for one week.

CONTRAINDICATION

None.

PRECAUTIONS

Luliconazole is recommended for topical use only. It is not intended for ophthalmic, oral or intravaginal use.

SIDE EFFECTS

Contact dermatitis and cellulitis may occur. Application site reactions were observed in less than 1% of subjects in clinical trial.

USE IN PREGNANCY & LACTATION

Pregnancy: Pregnancy category C. There are no adequate and well-controlled studies in pregnant women. Luliconazole should be used during pregnancy only if the potential benefit justifies the potential risk to the fetus.

Lactation: It is not known whether Luliconazole is excreted in human milk. Because many drugs are excreted in human milk, caution should be exercised when Luliconazole cream is applied to women who are breastfeeding.

DRUG INTERACTION

No hazardous interactions have been reported with other medicines.

STORAGE CONDITION

Store below 30° C. Keep away from light and out of the reach of children.

HOW TO SUPPLIED

Lulitop™ 10 gm cream: Each pack has a laminated tube containing 10 gm cream.

Lulitop™ 20 gm cream: Each pack has a laminated tube containing 20 gm cream.
